

Platinum 30" On-Grid Gas Range (Electronic Ignition) UGP-30 PL1

The Unique Platinum 30" gas range brings pro-style design and performance into the home kitchen! Its fully sealed Italian made Sabaf burners, ranging in size from 15,000 BTUs down to fewer than 680 BTUs for delicate sauce simmering, provide you with a perfect blend of power and precision! An infrared broiler provides intense searing heat while a commercial grade convection fan makes baking a thing of ease. An automatic electric spark ignition means your burners relight automatically if blown out by wind or water boiling over. This is the epitome of pro-style cooking for the home chef.

Matchup with one of Unique's propane fridges or cooktops for big savings – please see our ["Bundle"](#) promotion
